

warm/**warmer** green/**greener** long/**longer** happy/**happier**  
early/**earlier** dark/**darker** sunny/**sunnier** good/**better** short/**shorter**  
light/**lighter** late/**later** blue/**bluer**

My favourite season is spring. It's so much **better** than winter. In spring the weather is **warmer** and **sunnier**. The days are **longer** and the nights are **shorter** (it gets **lighter earlier** in the morning and **darker later** at night). The skies are **bluer** and the trees are **greener**. People are **happier**.
